Nazarene Theological College
Audit Policy

Introduction

It is the desire of Nazarene Theological College (NTC) to provide opportunities for potential students, pastors, and others to take advantage of the college’s rich and diverse class offerings. As such, NTC offers the opportunity for non-students to audit classes.

The following general guidelines apply:

- Audit enrolments are for regular semester classes and intensive classes only.
- Students may audit a class via face-to-face or Vidyo (video conference) format.
- Audit of a postgraduate class is subject to the same SCD rules as regulations as those taking the class for credit, meaning certain prerequisites must be met before such a class can be audited.
- Audit enrolments are permitted at the discretion of the Academic Dean and the class lecturer.
- Fees for audit enrolments are payable at the time of enrolment and are not eligible for Fee-Help.

There are two audit options, which are outlined below:

**Option 1: Limited Audit**

Limited Audit is designed for those who want to gain the knowledge and experience of a particular class but who do not want to participate in class discussions or class assignments. Those enrolled in this option may attend all classes, listen to lectures, and have access to all notes (when provided by lecturer) but must keep questions to a minimum. Those taken the class for credit and paying full prices or enhanced audit prices are given priority in class discussions. This option is $200 per subject.

**Option 2: Enhanced Audit**

Enhanced Audit is designed for those who desire greater participation in a particular class. Those enrolled in this option may attend all classes, participate in lectures, have access to all notes (when provided by lecturer), and have limited access to the NTC library and electronic resources. Additional, with prior approval from the lecturer, those enrolled in this option may attempt written class assignments and receive limited feedback. This option is $850 per subject.
