Welcome

Thank you for your interest in pursuing a study program at Nazarene Theological College.

We are committed to helping Christians become better equipped to serve God, through either vocational ministry or as lay ministers in their home church.

Please find following housing information, financial information, timetable for upcoming subject offerings, and an application form. If you need any further information, please do not hesitate to contact us.

We pray that you will find and obey God's direction for your life. Please be assured of our full support and encouragement if Nazarene Theological College is a part of that guidance.

Rev. Dr. Bruce G. Allder
Principal
NTC is an evangelical Christian college in the Wesleyan tradition.

History

Nazarene Theological College has been serving the educational and training needs of Christians in Australia and New Zealand since its inception in February 1953. During its more than 60 years of ministry NTC has had students not only from Australia and New Zealand, but also from such countries as Canada, Colombia, Hong Kong, India, Indonesia, Namibia, the Netherlands, Papua New Guinea, Samoa, South Africa, Taiwan, the United Kingdom and the United States of America.

In 2006, NTC became a member institution of the Sydney College of Divinity.

In 2010 the new Education Building housing purpose built classrooms, chapel and conference room, with a specialised room to house the computer servers was completed.

Today NTC students have the opportunity to attend classes taught by theologians and scholars from UK and USA through our intensive block programs. This year we are looking forward to Dr Deirdre Brower-Latz (PhD) conducting a couple of intensives with us. Dr Brower-Latz is the principal and senior lecturer in pastoral and social theology at NTC Manchester. Her lectures focused on urban ministries during our intensive block mid-year.

Statement of Belief

26. Recognizing that the right and privilege of persons to church membership rest upon the fact of their being regenerate, we would require only such avowals of belief as are essential to Christian experience. We, therefore, deem belief in the following brief statements to be sufficient. We believe:

26.1. In one God—the Father, Son, and Holy Spirit.
26.2. That the Old and New Testament Scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living.
26.3. That man is born with a fallen nature, and is, therefore, inclined to evil, and that continually.
26.4. That the finally impenitent are hopelessly and eternally lost.
26.5. That the atonement through Jesus Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.
26.6. That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.
26.7. That the Holy Spirit bears witness to the new birth, and also to the entire sanctification of believers.
26.8. That our Lord will return, the dead will be raised, and the final judgment will take place.

In common with most institutions of higher education in Australia, Nazarene Theological College (NTC) offers courses within an academic year divided into two semesters.

Some of the courses are taught intensively over a one, two or three week block. One week intensives are taught Monday-Friday, with longer intensives taught on four or three days per week. We use this system to enable more students to do formal study at the college without a major disruption to their current responsibilities. Other courses are offered over the traditional fourteen weeks of a semester. In either case, the standard of instruction and assessment remains the same.

A detailed College Timetable is issued at the beginning of each semester for the class days and times applicable for each subject. A copy of this is included in this prospectus and additional copies are available on request from the Registrar.

CAMPUS FACILITIES

Grounds

Situated on an 11.33 hectare (28 acre) campus are two large double-storey brick dormitory buildings, which are home for single men and women, a kitchen, a dining area, student laundry room and a student common room. The John D Fulton library and chapel are contained in a third major building. The newly completed Education Building, which houses classrooms’, chapel and common room are adjacent. The administration is housed in a separate building close to the Education Building. To meet campus accommodation needs there are now seventeen one, two or three-bedroom units. All units have under-cover parking. The campus also includes a basketball court, tennis courts, walking track and a BBQ area. The campus is linked together with expansive lawns and bushland.

Education Building

The College completed the new Education Building in 2010. This building, located between the office and library, contains 8 classrooms, a chapel, media centre and student common room complex, providing much-needed space for a growing student body. Facilities for Videoconferencing and teleconferencing are available.
The John D. Fulton Library is a vital part of Nazarene Theological College, providing resources for theological study and research. The library contains approximately 35,000 volumes, 65 academic journal titles, audio-visual kits, videos, access to ProQuest Religion and Religion & Philosophy Collection journal databases.

The particular focus of the library is to provide quality resources to support NTC’s curriculum, with a special emphasis on works by John and Charles Wesley and Wesleyanism. The library also houses a growing collection of Christian education materials and worship resources, including most of the current materials from the Nazarene Publishing House. The archives of the Church of the Nazarene in Australia are stored here and may be viewed by appointment. The Wesley materials, rare books and Nazarene archive materials are housed in the MacPherson Rare Book and Archive Room.

In addition to the On-Line Public Access Catalogue of the library’s holdings, students have access to networked computers, an A4 colour flat-bed scanner, a network printer and card-operated digital photocopier for research, study and assignment purposes. All the library computers provide access to the Internet and student e-mail accounts.
