We thank God for the Work and Witness team which has been at NTC during from 15-31 March. Twenty one people arrived from Eugene, Oregon leaving winter to come to Queensland’s hot and humid weather.

David and Chris McEwan’s home and carport has been repaired and repainted on the outside—as well as a beam and decking replaced. The gardens around the house, college classroom and library have been cleaned out and tidied. The entrance gate has been cleaned and repainted cream and looks really refreshed. The tennis court has been cleaned, trees trimmed and plumbing repaired. Many other tasks have been performed including Cheryl helping with English lessons at New-Horizons School of English, Thornlands School and Capalaba Church.

We have enjoyed the fellowship with the team over pot luck meals, trips to the Gold Coast and the CityCat to Southbank (most of us were absolutely drenched when the clouds opened up).

The local churches close to the college have had groups attend and participate in the services. Redlands, Capalaba, Meadowlands and Logan churches have provided a fellowship lunch which has been appreciated.

We pray God’s richest blessings for each member of the team as they return to their church in the USA. Their work and friendship have been greatly appreciated by all at NTC.

If you have a group of people who would like to be part of a short term Work & Witness trip to NTC—local or global—please contact Peter Kirkland: pjkirkland@ntc.edu.au

Congratulations to Rev Dr David McEwan who has just been promoted to Associate Professor. David is NTC’s Theology lecturer.

Please pray for:

- The students and staff at NTC as they complete term 1 and have a beak from lessons.
- Please pray for funds for our sewerage system which must have an upgrade at $60,000—that God will supply the money needed.
- More students to enrol for semester 2. Pray that young people in our churches will sense a desire to train for Christian service at NTC.
- Pray for the GapYear preparations for the Kimberley (Western Australia) mission trip in June.
- Pray for the teachers of NSE as they prepare for the new programmes. We thank God that we now have a partnership with LTi to offer accredited TESOL.
- Pray for Rev Rob Fringer who will be travelling to Manchester UK for his PhD studies.
- Pray for Dr David McEwan as he travels to Manchester UK to complete research for his next book.
