GAP YEAR MISSION TRIP

The Kimberley’s’ mission trip is nearly upon us. Aaron Park and Kenny Wade are leading a group of young people to the Kimberley in north Western Australia to work with Aboriginal communities.

19 young people (including 2 couples) are coming from the Southern and Point Loma Nazarene Universities in the United States and 2 from Australia.

Two couples have already left the Redland’s Church of the Nazarene and travelling north. Don and Ruth Howie are in their motor home called Joy and Bill and Rose-Lyn Martindale are in their caravan, Gloria. They will be catering for the group.

The group will be leaving Brisbane on 29 May and flying to Darwin, then onto Kununurra, Halls Creek, Noonkanbah, Derby and flying out of Broome, Western Australia back to Brisbane.

The group will be staying in churches and halls along their journey and Jong Il Kim (‘Kimberley Kim’) will be their guide.

The Kimberley trip is part of the Gap Year programme run by NTC. Do you have a year between jobs, school, universities or interest and want to be a part of theological studies? Are you looking for an experience to map your life in a new direction?

What is NTC’s Gap Year?

Gap Year programme is for anyone that has graduated from high school, wanting a new challenge, in between jobs, career options, even wanting to invest in your future to have stronger and deeper Christian foundation in life, or just wanting some time out for reflection and investigation – whatever the age or education level! NTC-Gap Year is a great starting point.

For more information about the Gap Year programme please contact apark@ntc.edu.au

Please pray for:

- The students and staff at NTC as they are nearly the end of semester 1 which finishes on 30 May.
- Please pray for funds for our sewerage system which must have an upgrade at $60,000—that God will supply the money needed.
- More students to enrol for semester 2. Pray that young people in our churches will sense a desire to train for Christian service at NTC.
- Pray for the GapYear preparations for the Kimberley (Western Australia) mission trip in June. Pray for Aaron Park as he finishes the plans for the trip. Pray for safety on the roads.
- Pray for Rev Rob Fringer who will be travelling to Manchester UK for his PhD studies.
- Pray for Dr David McEwan as he travels to Manchester UK to complete research for his next book.
- Pray for the preparations for a Korean University Study tour group visiting NTC in June/July.
- Pray for Dan & Janet Reinhart and Gretchen Freeman who are volunteers as they have left Australia for a short time and returning In July. Dan & Janet were involved in IT and administration and Gretchen was helping in the Field administration.

Correction!

If you have a group of people who would like to be part of a short term Work & Witness trip to NTC—local or global—please contact Peter Kirkland: pkirkland@ntc.edu.au.

The email address was incorrect.

REFLECTIVE CHAPEL
Every Tuesday in the Chapel. Dates for May
20 May—Combined Chapel with the Korean School
27 May—Gap Year Chapel—Kenny Wade
All are welcome to attend

Would you like good quality tertiary theological training at various levels of study?
Do you feel God calling you as a Pastor?
Would you like training to be a more effective layperson within your local church?

At NTC you will receive quality education within a Wesleyan setting, whether your goal is ordination, improving your theological knowledge in a specific area, a post-graduate qualification in ministry-related studies or advanced research in a theologically related discipline.

Please contact Roland Hearn for options to best suit your circumstances rhearn@ntc.edu.au

WI-FI NETWORK
A new Wi-Fi network is available in the office and library for faculty, staff and students. It is being changed over throughout the College as time allows. It is secure and will need a password. Please see a staff member for the password. There is also Wi-Fi now available for guests. Please contact the office for the password (changes periodically). We thank Dan Reinhart for his many hours of work to make this possible.
