

## **Nazarene Theological College**

### **Audit Policy**

#### **Introduction**

It is the desire of Nazarene Theological College (NTC) to provide opportunities for potential students, pastors, and others to take advantage of the college's rich and diverse class offerings. As such, NTC offers the opportunity for non-students to audit classes.

The following general guidelines apply:

- Audit enrolments are for regular trimester classes and intensive classes only.
- Students may audit a class via face-to-face or Zoom (video conference) format.
- Audit of a postgraduate class is subject to the same AUCD rules and regulations as those taking the class for credit, meaning certain prerequisites must be met before such a class can be audited.
- Audit enrolments are permitted at the discretion of the Academic Dean and the class lecturer.
- Fees for audit enrolments are payable at the time of enrolment and are not eligible for FEE-HELP.

#### **Audit Enrolment**

Audit enrolments are designed for those who want to gain the knowledge and experience of a particular class but without having to complete the coursework required for credit. Those enrolled in this option may attend all classes, listen to lectures, and have access to all notes (when provided by lecturer) but must keep questions to a minimum. Those taking the class for credit and paying full prices are given priority in class discussions. This option is \$300 per subject or \$70 for concessions.
